**Part Number:** [130117-0090](#)  
**Status:** **Active**  
**Overview:** [Aero-Motive® Box-Track Festoon Systems](#)  
**Description:** Standard Box Track System, Festoon Intermediate Steel Car

**Documents:**  
[RoHS Certificate of Compliance \(PDF\)](#)

|                        |                                                        |
|------------------------|--------------------------------------------------------|
| <b>General</b>         |                                                        |
| Product Family         | Festoons                                               |
| Series                 | <a href="#">130117</a>                                 |
| Cable Height - Maximum | 8.35mm (.330")                                         |
| Cable Width - Maximum  | 59.00mm (2.320")                                       |
| Component Type         | Car - Intermediate                                     |
| Depth                  | 89.92mm (3.540")                                       |
| Duty                   | Standard - 15kg per Car                                |
| Height                 | 79.50mm (3.130")                                       |
| Length                 | 127.00mm (5.000")                                      |
| Overview               | <a href="#">Aero-Motive® Box-Track Festoon Systems</a> |
| Product Name           | Aero-Motive®                                           |
| Type                   | Box Track - Standard                                   |
| UPC                    | 78678862893                                            |
| Woodhead               | Yes                                                    |
| <b>Physical</b>        |                                                        |
| Material - Coating     | Zinc                                                   |
| Material - Metal       | Galvanized Steel                                       |
| Net Weight             | 53.750/g                                               |
| Number of Cars         | 1                                                      |
| Packaging Type         | Individual Carton                                      |
| Saddle Radius          | 71.88mm (2.830")                                       |
| Thread Size            | N/A                                                    |
| Travel Speed - Maximum | 53.34 mpm (175 fpm)                                    |
| Wire/Cable Type        | Flat                                                   |
| <b>Material Info</b>   |                                                        |
| Old Part Number        | S52421                                                 |
