

DELIVERY CONFIGURATION

- 1) MATERIAL: GLASS FILLED PBT, BLACK COLOR
- 2) USED WITH 98658 SERIES TERMINALS
- 3) MATES WITH 31341-2641 SERIES USCAR HEADERS
- 4) PACKAGING: IN CARTON BOXES (SEE DRAWING PK-94552-001 FOR DETAILS)
- 5) SPQ: 15840 pcs
- 6) IN THE EVENT OF PARTIAL OR TOTAL SEPARATION, PARTS DO NOT LOOSE THEIR FUNCTIONALITY

STD. DESCR: RECEPTACLE FOR MOX TERM, 8 CKT

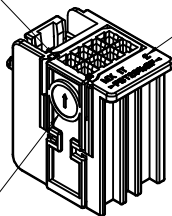

|                                                                                                                 |                                                                                              |                                                                                                                                                         |                                                                                                                                                                                  |                                                                                                                                                                                                                              |
