The image displays a 1000x1000 grid of small squares. Each square contains a unique combination of symbols from the set: a vertical line, a horizontal line, a top-left corner, a top-right corner, a bottom-left corner, a bottom-right corner, and a cross. The symbols are arranged in a way that each square is a unique combination of these symbols, creating a complex, non-repeating pattern across the entire grid.
