

ESD WARNING LABELS/SIGNS

Available in all the popular styles, these labels are easy to use and provide the ESD symbol and warning message needed to complete your protective package. These destructible type labels are "tamper evident", letting you easily monitor whether or not a bag has been opened. Use labels on bags, boxes, and totes to ensure proper ESD warning.

"Caution" Label

This popular 2" x 2" adhesive label displays the warning message and 'arrows' symbol.
500 labels per roll.

Order Number: CLABEL2X2

Large "Caution" Label

Great for assemblies and boxes, this 4" x 4" adhesive label displays the warning message and 'arrows' symbol.
100 labels per roll.

Order Number: CLABEL4X4

"Attention" Label

This JEDEC/EIA label displays the reaching hand symbol and provides writing space.
500 labels per roll.

Order Number: ALABEL

MIL-STD-129M Label

Displays the warning symbol and message in strict accordance with the new Military Standard 129M.
500 labels per roll.

Order Number: 129LABEL

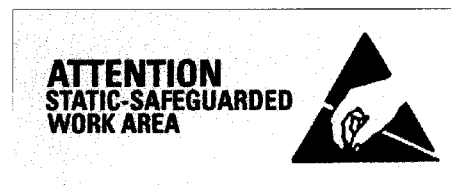

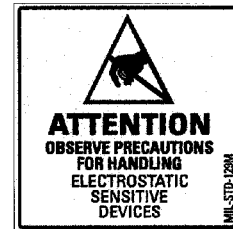

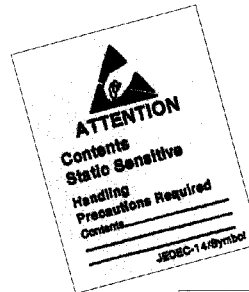

ESD Warning Signs

These signs provide the warning message and symbol as required by EIA 625 and MIL-HDBK-263. Black lettering on a yellow background gives clear warning that static-safety precautions are necessary. Signs come complete with adhesive strips for easy mounting.

Room Entry Sign - 8 1/2" x 11"
Order Number: EDSIGN8.5X11

Work Area Sign - 4" x 10"
Order Number: EDSIGN4X10

See moisture labels and our label dispenser on page 20.
